- **15 May 2017** for autumn semester and for whole academic year
- **1 November 2017** for spring semester

ACCOMMODATION

In **LAPPEENRANTA** student dormitories are maintained by Lappeenranta Student Housing Foundation (LOAS).

LOAS accommodates Saimaa UAS' exchange students on Kalliopellonkatu 10 in shared bedrooms (2 bedroom flats, which have shared kitchen and bathroom. The flat is furnished with basic furniture).

Rent: ~ 200 euro/per month/per person in shared bedroom. If a student prefers a single bedroom or other address, he/she should mention it in the application for accommodation. Rent: ~ 330-370 euro/per month/per person in single bedroom.

Saimaa UAS separately provides exchange students living only on Kalliopellonkatu 10 with mattress, blanket, pillow and basic eating items. There won't be bed belongings and eating items in other dormitories.

Students coming for the Spring 2018 should apply for housing by themselves at www.loas.fi by **November 3rd, 2017 at the latest!**

In **IMATRA** student dormitories are maintained by Housing Foundation 'Imatran YH-Rakennuttaja Oy', which accommodates Saimaa UAS' exchange students in shared or single bedrooms on Pappilanpolku 1 and Pilvikuja 1 and 2. There are 2-3 bedroom flats with shared kitchen and bathroom facilities. The flat is furnished with basic furniture and mattress. Rent: ~ 275 - 320 euro/per month/per person in single bedroom, ~ 180 euro/per month/per person in shared bedroom (if you find a roommate). Accommodation in shared bedrooms is available only on Pappilanpolku 1.

Saimaa UAS separately provides exchange students with blanket, pillow and basic eating items.

Students should apply for housing by themselves to opiskelija-asunnot@imatran-yh.fi by **November 30th, 2017 at the latest!**

SUMMER SCHOOL 2018

Summer School 2018 (July-August 2018) offers you an ideal way to become acquainted with the wide range of academic opportunities at Saimaa University of Applied Sciences and Lappeenranta University of Technology (LUT). You may study both Bachelor's and Master's level courses.

Summer studies are an excellent opportunity if you wish to spend a few weeks in the beautiful Finnish lake district studying and have an unforgettable experience in an international environment.
